## Principal's Parent Connection

As Principal, I am proud to accept the appointment as FIA's new principal. I will assure you my guidance and experience will take FIA to the next level. I have experience as a founder and developer of a successful charter school that established partnerships with private, government, and nonprofit sectors to garner support for students and staff. FIA is rapidly growing and ALL of our current students are making strong learning gains!

Hats off for our FCAT score of "670" "A" (Grades 3-5) and a "673" "A" (Middle school). We are proud to announce that FIA Elementary and Middle schools students and teachers surpassed the cutoff score of 525 to earn an A grade! An incredible accomplishment! Due to a minimum participation rate of students tested needing to be at least 95%, the state was unable to issue a grade this year but posted state scores (see State Report attachment).

**Current Parents:** Take a moment to celebrate your child's/ren for working so hard. Thank the teachers and staff for committing to excellence every day.
